

## *Precedent® Trailer Platform*

*Precise temperature control to ensure the safety of your load during transport.*

# PRECEDENT. WHERE TRADITION COMBINES WITH CUTTING EDGE TECHNOLOGY.

For over 75 years, Thermo King has delivered superior products and performance to its customers. With over 200 authorized, factory-trained service locations across North America, Thermo King is always available to help find the best solution for your transport temperature control needs. The Precedent platform delivers more choice, optimal performance and savings in both fuel consumption and maintenance.

**C-600**

- CARB-compliant for seven years
- Delivers double digit fuel savings
- Superior temperature control
- Mechanical fuel injection
- < 25 Horsepower engine

**S-600**

- CARB Evergreen
- No need for Diesel Particulate Filter (DPF)
- Delivers double digit fuel savings
- Superior temperature control
- Electronic fuel injection with real-time fuel monitoring and recording
- >25 Horsepower engine

**S-700**

- Gives you the capacity to handle deep-frozen loads
- CARB Evergreen
- No need for Diesel Particulate Filter (DPF)
- Delivers double digit fuel savings
- Superior temperature control
- Electronic fuel injection with real-time fuel monitoring and recording
- >25 Horsepower engine
- The only deep-frozen capacity unit in the industry with available shore power operation

CONNECTED

**PRECEDENT**

**C-600<sub>M</sub>**

- Allows for multiple temperature zones in one trailer
- CARB-compliant for seven years
- Delivers double digit fuel savings
- Superior temperature control
- Mechanical fuel injection
- <25 Horsepower engine

**S-610<sub>M</sub>**

- Allows for multiple temperature zones in one trailer
- CARB Evergreen
- No need for Diesel Particulate Filter (DPF)
- Delivers double digit fuel savings
- Superior temperature control
- Electronic fuel injection with real-time fuel monitoring and recording
- >25 Horsepower TK488CR engine

**S-610<sub>DE</sub>**

- Allows for two temperature zones in one trailer without adding remote evaporators
- CARB Evergreen
- No need for Diesel Particulate Filter (DPF)
- Delivers double digit fuel savings
- Superior temperature control
- Electronic fuel injection with real-time fuel monitoring and recording
- >25 Horsepower TK488CR engine

Ingersoll Rand (NYSE:IR) advances the quality of life by creating comfortable, sustainable and efficient environments. Our people and our family of brands—including Club Car®, Ingersoll Rand®, Thermo King® and Trane®—work together to enhance the quality and comfort of air in homes and buildings; transport and protect food and perishables; and increase industrial productivity and efficiency. We are a \$13 billion global business committed to a world of sustainable progress and enduring results.
